

IS THIS YOUR *3 year old?*

Does your child have difficulty with...

Language

- Using more than 3 words in sentences
- Using pronouns like "I/my" "she/he/them"
- Asking and answering a variety of wh-questions e.g who, what, where, when?
- Understanding simple concepts like "empty", "heavy" and "tall"

Articulation

Saying any of the following sounds (these sounds should be mastered by 3 years 6 months):

- h, w, ng, m, n, p, k, t, g, d, b, y, f

Playing

- Playing with other children instead of just playing alongside them
- Beginning to share and take turns
- Acting out sequences of pretend play (e.g. cooking dinner for toys)
- Answering questions about pictures in a picture book
