

IS THIS YOUR *5 year old?*

Does your child have difficulty with...

Language

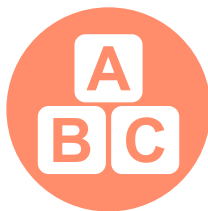

- Answering simple and more complex wh-questions (including "how?" and "why?")
- Following instructions containing the words "before" and "after"
- Comparing objects using words like "bigger" and "fastest"
- Developing knowledge of numbers/counting
- Using longer sentences with the correct structure

Articulation

Saying any speech sounds, with the exception of 'r' and 'th'
(these sounds may still be produced incorrectly)

Literacy

- Beginning to develop knowledge of letter names and sounds
- Beginning to break words into syllables
- Recognising words that rhyme, or words that start with the same sound
- Writing their name
